NEW PITCHER WINS GAME DESPITE HEAVY ODDS

Chase, Manager Griffen's new twirler, made his initial bow to the fans Sunday and won his game against the Union Street Merchants from the city by a score of 8 to 6. Chase won despite the efforts of eight other young men members of the Redwood City ball club to present the game at different periods to the visitors. Errors and boots were as plentiful as flies around an open sugar barrel and the only excuse for the locals winning was that the visitors piled up almost as many errors as they did.

Chase pitched a wonderful game. He is a tall, husky lad, with a burst of speed and a variety of curves and he kept the city lads guessing all the time. But seven hits were gathered off his delivery, most of them of the scratch variety and he sent nine of the visiting batsmen back to the bench by the strike-out route.

The city boys gathered their first run in the initial inning on an error by first baseman Cochran. With two down and a man on third, Coch ran dropped an easy throw from Miller that allowed the man on third to score.

The home team came right back in the same frame and with the aid of two hits, a walk, and a passed ball, put two runs across.

Redwood added another in the second when Winter was given his base on four wide ones, went to second on a passed ball, to third on an overthrow and home on another passed ball..

The visitors tied the score in the fifth. With Mahoney and Murphy out of the way on infield hits, Ortega reached first on a low throw by Miller. Ortega promptly stole second and came all the way around on Raymiller's single to center, Barton hit a long fly to Torres, which the latter dropped and Raymiller came across wiih the tying run.

The home guard took the lead again in the same frame. Chase first up, walked, Herm singled to center, Valencia drove one to Mahoney, which was too hot for the third baseman to handle and the bases were filled. Torres came through with a pretty single to center, scoring Chase and Herm. Valencia came n a minute later on Miller's infield hit. Sampson and Foley ended the inning by flying out.

In the sixth the visitors aided by errors, grabbed two more runs. The locals, not to be outdone, did the same. Two were down in this inning, when Chase was given another free pass to first. Herm hit one too fast for Codematori at second to handle. Valencia doubled to center and the bell rang twice.

The Union street boys threatened to do some damage in the eighth. Payne first up, singled, Bradley hit to Winter, who threw low to catch Pyne at second, Jackson got on an infield hit and the bases were filled. Chase threw one over Foley's head and Pyne came home. Chase demonstrated his ability as a pitcher at this point by striking out Mahoney and Murphy and forcing Ortega to pop out to second.

Rock Crusher Destroyed

A big rock crusher used by Blanchard and Brown, the contractors, in the construction of the county highway near La Honda, was completely destroyed Tuesday morning when an extra heavy charge of dynamite, used in blasting, hurled an avalance of rocks upon the crusher and tumbled it into the gulch below the road. The road itself, has been rendered impassable for the present.

TRIBUTE IS PAID TO HEROES OF NATION

VETERANS OF TWO WARS AND WOMAN'S RELIEF CORPS IN IMPRESSIVE CEREMONIES.

Patriotic Program at Alhambra—Exercises at Union Cemetery—Decoration of Graves.

Memorial Day was impressively observed in this city last Monday. The stores were closed and all business was suspended. Veterans of the Grand Army of the Republic, members of General George S. Evan's Relief Corps, the Spanish War Veterans, assisted by hundreds of men, women and children, paid tribute to the dead soldiers of the nation.

The exercises in the Alhambra theatre were conducted by General George S. Evans Relief Corps. The gray haired soldiers of General Thomas' Post—there was just a handful of them—and the Spanish War Veterans occupied the front seats in the theatre.

The program began with a prayer by Rev. Father Sullivan. The ritulistic service of the G. A. R. was conducted by Past Post Commander P. P. Chamberlain, who was also president of the day. Miss Dorothy Bresse recited Lincoln's Gettysburg Address in a very pleasing manner. This was followed by a peace song by three young girls from the grammar school. Otis M. Carrington, in his usual splendid voice sang "The Star Spangled Banner".

The oration of the day was delivered by Rev. M. B. Young of this city. Mr. Young paid a glowing tribute to the departed heroes, as well as to those who had not yet answer the final call. "And there are others," said Mr. Young, "who should not be forgotten on this occasion. They are the wives, the sisters and the sweet hearts who stayed at home and gave up their loved ones for their country's sake."

Following Mr. Young's address, the children of the convent sang "The Flag of the Free." Francis O'Sullivan, who gives promise of much histrionic ability, recited "Our Flag," and Eugene McAuliffe in a very sweet and pleasing voice, sang a patriotic song. The exercises closed with the singing of "America" by the audience, led by Mr. Carington.

The march to Union cemetery, where the usual decorating of the graves took place, was led by the drum corps, followed by the Redwood City Firemen, Sons of Veterans, members of the Grand Army, Spanish War Veterans, members of the Relief Corps, pupils of the grammer school and the convent, and citizens in automobiles and on foot.

At the cemetery the exercises consisted of prayer by Rev. M. B. Young, song "Tenting Tonight" by the convent girls, Address to Unknown Dead, by Rev. David Crabtree, and the decoration of graves.

DISTRICT ATTORNEY WILL PROSECUTE AUTO DRIVER.

District Attorney Swart, who has been investigating the automobile accident last Wednesday night at the Beresford crossing, which resulted in the death of George Brooks, an ocean View painter, and the serious injury of five others, one of whom is expected to die, says he intends to prosecute the driver, Harry Gallatin.

Gallatin is now at the county jail in this city and is charged with driving an automobile while under the influence of liquor, which is a felony charge.

The car struck a pole when Gallatin attempted to take the crossing and turned turtle. Brooks, who was standing on the running gear, was pinned underneath.

The Fraternal Aid Association will give one of their enjoyable card parties on next Tuesday, June 8, in Foresters' hall. Valuable prizes will be awarded and refreshments will be served after the game

FORESTERS' BIG PICNIC AT LUNA PARK SUNDAY

Tomorrow is the day of the big annual picnic of the Foresters of America, which is to be held this year at Luna Park, San Jose. A record breaking crowd will go from this city and every town along the peninsula will be represented at the picnic. Motor busses and automobiles wil convey a part of the picnickers from here, while a great many will take advantage of the special round trip rate of 95 cents on the train.

Luna Park has been thoroughly remodeled and today is one of the finest picnic places in the State. There are concessions at the park of every description that should afford plenty of amusement for everybody. By a special arrangement, the committee has secured the privilege of keeping the grounds open until 8 o'clock in the evening.

The net proceeds of the picnic will be added to the fund which is being raised to entertain the Grand Court of Foresters to convene in this city in 1916.

Women Pioneers Honor Mrs. Phelps.

Hearst addressed the members and paid a tribute to Mrs. Phelps for her services during the three years she acted as president of the organization.

JUNE 23 WILL BE GALA DAY FOR THIS CITY AT FAIR.

Redwood will be a deserted city on Wednesday, June 23d. Everybody is planning and arranging to join in the celebration of "Redwood City Day" at the Panama-Pacific Exposition on that date.

The special committee headed by Stuart Frank, president of the Board of Trade, met again last evening and pretically completed all arrangements for the carrying out of the plans of making the excursion to the city one of the most unique and enjoyable that has ever taken place.

A fast steamer, large enough to accommodate fully a thousand persons, will be secured for the day. The steamer will leave from a temporary dock on the water front of the Redwood City Harbor Company, the excursionists being taken to this point over the spur track of the Harbor Company. Luncheon will be taken along and eaten on board the steamer.

On the arrival of the boat at the fair, the visitors will be received by the exposition officials and will be their special guests during the day. The San Mateo County Fair Commission will aid the committee in every possible manner in arranging a program that will make the day at the exposition a most enjoyable one for all those who attend.

HIGH SCHOOL ALUMNI WILL HOLD ANNUAL REUNION

A meeting of the Alumni association of the Sequoia highschool was held Friday evening at the close of the commencement exercises in the Alhambra. Ray Griffen presiding. The meeting was for the purpose of electing a new set of officers and to discuss the plan, as suggested by Professor S. P. McCrea of holding an annual reunion and banquet of the association, which were so popular with the members up to within a few years ago.

The following officers were elected: Robert O'Connell, president; Maurice Koop, vice-president; Freda Barg, secretary; Charles McNeill treasurer.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

A SUBSTITUTE FOR SLEEP.

Dr. Cannon, professor of physiology in Harvard's Medical School, proclaims the discovery of a substitute for sleep. It is a queer substance, which he calls adrenin, and he avers that a little bit of it, whether taken in doses, injected or used in a bath the dispatches do not state, will produce in five minutes the same effect as two hours of slumber. He says that it is present in the human body and may be also obtained from sheep and calves. Surely cats also must have it in abundance. Efficiency experts, interested as they must be in any possibility of keeping the human machine working continuously, night and day, will naturally wonder how long his tests have been used. It is possible that the body may soon wear out under it.

What would it profit one to be able to work night and day, if the body lasted only a half or a third of its normal time? Even great engines, made of the strongest metals, require rest. Is it possible that the application of any drug will exempt the human body, which, as the old physiologists told us, lives by continual death, from the general rule of nature, asks the Globe-Democrat.

But even should adrenin prove to be all that is claimed for it, who would use it? It might be handy for doctors, newspaper workers, tangoists and gamblers. But the great mass of people enjoy sleep for its own sake, regardless of the repair of human fatigue. They join Sancho Panza in his wish for "blessings to light on him that first invented this same sleep." They are likely to treat Dr. Cannon's discovery as scornfully as they did the combination of all the needed elements of the body in a small tablet to be taken is lieu of regular meals. Only dispeptics, incapable of gastatory delights, showed any interest in that proposal.

Sleep does more than refresh the body. Nearly every poet has apostrophized sleep as the balm of hurt minds, the solace and restorer of the soul, the "great key to golden palaces," and the leveler of stations. Guilty Macbeth and innocent babies have courted sleep alike. Dr. Cannon seems to have overlooked its chief functions. Three thousand years ago the psalmist saw more clearly, when he counted as one of the richest blessings the fact that "He giveth his beloved sleep."

CIVIC PRIDE AND PRIVATE GAIN.

With the summer season well upon us, both civic pride and private interest should urgently prompt a systematic campaign for the removal of weeds and grass from vacant lots throughout the city. With a late and unusually wet winter and spring, the growth of this unsightly and dangerous vegetation has been unusually luxuriant and for this reason, if for no other, demands special attention. As this growth ripens and becomes dry it assumes not only an unsightly but dangerous aspect. Experience in the past has demonstrated beyond question that this is one of the most serious menaces to property. No other one thing so greatly adds to the summer fire hazard.

This is a matter which, unfortunately, seems to be entirely up to the private citizen. With the weeds on the sidewalks and streets it is unquestionably within the power of the city authorities to deal with the growth on private property, the authority seems not quite so certain. This, however, should not affect results. Where the question of private interests are so directly concerned, there should be no difficulty in securing prompt action. There should be no necessity for coersion. Nor should there be any further delay in this important matter. Both as a matter of civic pride and personal protection, every owner of vacant property in the city should see to it that some arrangement is made for the removal of this menace to public safety without further delay. While, of course, this will entail a slight expense to the individual, the cost will be but a tithe of the good which will result.

TOO MANY TECHNICALITIES.

Judge Seeley of Redwood City objects to legal technicalities. He is by no means lonesome in his objecting position. But they are laws and decisions of the Courts and legal trials so cluttered up with technicalities? Did the farmers sneak the technicalities into our so-called jurisprudence? Did the pestiferous labor unions hold secret meetings and pour the technicalities in while judges and lawyers were asleep? Are the merchants, the country editors, public school teachers, doctors and preachers responsible for technicalities?

Judge Seeley does not believe it right that "attorneys should cloud the issue with technicalities." And it isn't right. But suppose technicalities were wiped out of American law, as they have been mostly wiped out of British and Canadian law? We would be able to dispense with at least two-thirds of our Judges and the same proportion of lawyers. We would have more justice, but think of the lawyers who would have to go to work. More justice and fewer justices may be desirable, but how about the expediency?—The Star.

LOCAL EXAMINATIONS FOR AGRICULTURAL ASPIRANTS

County Superintendent of Schools Roy W. Cloud announces that entrance examinations to the University Farm School at Davis will be held under his supervision at Redwood City, June 21 at 10 a. m.

These examinations are open to any young man 18 years of age or older who desires to enter the University Farm School, September 17. If he is a graduate from a high school accredited to the university, it will not be necessary for him to take any examinations. The entrance examination will cover English and arithmetic. The examination in English will consist of the writing of a paper of about 500 words on one or several subjects; that in arithmetic will be the working of problems, including the application of percentage to farm problems; the finding of agerages, and the application of these principles to ordinary business and farm problems.

The opportunities for the young man who combines practical ranch experience with technical training in agriculture are increasing faster than the supply of well equipped men, and this county should have a umber of young men taking advantage of the advantage of the education the State is offering at the University Farm School at Davis. Of the 289 students enrolled this past year at Davis, two are from this county.

Through the co-operation of our county school superintendent, candidates taking this examination will know before they leave home whether or not they have passed, thus saving any unnecessary expense in going to Davis, unless they prefer to wait until the opening of school on September 17th before taking the examination.

Makes Splendid Showing.

The San Mateo County Building and Loan Association of this city has just issued its twenty-fifth annual statement. The splendid showing of the concern is certainly gratifying to the officials and to the stockholders as well. An investment in this well-financed institution will make good returns to the investor. Series number 91 is now open for subscriptions. Now is the opportunity to start and lay up a sure asset for the future.

NEWS OF THE COUNTY

HAPPY LA HONDA

Among the many hikers from San Francisco were Harry Ackerman, C. R. Leichenring, Herbert Triest, A. Foster and Norman Young.

The Iaqua Club of San Mateo walked up Sunday and camped in our groves.

A bus load of happy care-free people from the city—Mr. and Mrs L. Perry, Mr. and Mrs. R. Merrill, Mr. and Mrs. Gilholly, and Miss A. Sugestion, spent the week's end at Cyrus Tichenor's

Henry Zanone of Hollister is visiting his uncle, James Zanone.

Three Redwood City belles, Miss Louise Stevens, Miss Gertrude Pitcher and Miss Edna Christensen, chaperoned by Mrs. Misner of Redwood, visited friends here Saturday. In their jitney bus, they will go to Harrison, where they will enjoy life for three days under the giant trees.

Mrs. B. Cavalli was given a charming birthday party on Friday last at the Cavalli ranch, and all the ladies of Bellvale and La Honda attended. Her pretty daughters, Margaret and Venuta, received the many guests. There was entertainment, musical numbers and a dainty repast was partaken of. May Mrs. Cavlli live to enjoy many more happy birthdays.

Mrs. Jack Mesquite and beautiful little daughter, Evelyn, of San Gregorio gladdened us all by their visit on Saturday.

Remember La Honda day at the Fair, June 23d. Redwood joins us in celebrating that day.

Mr. and Mrs. George Steinberg are spending a few days in the valley, on one of their honeymoons.

Fred Marsh of Halfmoon Bay tarried here early in the week.

Mrs. John Kessing is visiting in the city.

Just can't keep away. Wm Hammerson of Menlo came on one of his frequent pleasure trips yesterday.

C. H. Bell and Mr. and Mrs. F. Bumstead of the University of California spent a pleasant day here during the week. With an up-to-date camp equipment they visited the Big Basin and came over the ridge to La Honda. After a leisurely jaunt to King's mountain, they returned to Berkeley. The party was much impressed with the beauty of La Honda.

SAN GREGORIO

Mrs. Jack Mesquite and daughter visited with the former's sister, Mrs Cavalli in La Honda, Saturday and Sundy last.

Manuel Enos of San Francisco was a visitor at the home of Frank Alves last week.

George C. Ross and son, Lee of San Mateo were here over the holidays.

Miss Alice Griffiths of San Francisco returned to her home, accompanied by her cousins, Mr. and Mrs. R. A. Silva, after a few days spent at the latter's home near Bellvale.

L. Coburn and family, C. L. Littlefield and family of Pescadero were San Gregorio visitors last week.

Mr. and Mrs. D. Martin have returned to their home in Orick after a month's visit with the former' sister, Mrs. S. A. Ponce.

The initiation of the Misses May and Amelia Diaz of this place into the Ano Nuevo parlor of Native Daughters at Pescadero was followed by a sumptuous banquet last Friday afternoon, given by Mr. and Mrs. John McCormick at the old Swanton House.

Quite a few of the young folks of San Gregorio took in the ball game between Halfmoon Bay highschool and Pescadero last Sunday.

COLMA INFORMATION.

COLMA, June 2—Last Thursday night Watchman Hurd of Daly City, while sitting in a chair at Biggio's place, passed away without a murmur. He was not known to be dead until somebody came up to speak to him. He leaves a wife and child. He was a good man and had a host of friends. The sympathy of the neighborhood is extended to the sorrowing relatives.

On Friday night, Constable James H. Parker, who had been a sufferer for six months past, died at his home in Daly City. He was appointed constable by Supervisor James T. Casey about four years ago and was elected to the position at the last election, almost without opposition. As an official, he was reliable, quiet and conscientious, never flinching, when duty demanded and always without bluster, before or after. He leaves a wife and a number of grown children. His funeral took place from the Church of the Holy Angels on Decoration Day.

The fine weather is welcomd by all. Long delayed work is now being prosecuted with vigor. Things are moving in all localities.

As usual, great multitudes of people sought the cemeteries on Saturday and, Sunday and Monday, to lay floral tributes on the graves of their dead. At each of the cemeteries there were special services.

On Friday night, the Municipal Auditorium was the scene of a joyous gathering, the occasion being the dance given by the graduates of the Crocker Tract and Vista Grande schools. It was a repetition of the Colma graduates' affair, a week before. The parents, children and their friends were present, all as happy as they could be. One of Backstedt's orchestras, led by Mr. Garvey, furnished the music which was heartily enjoyed by all. William Kohran acted as floor director. Silvio Landini helped in all capacities. No detail was overlooked. The boys and girls proved themselves thoughtful managers. The net proceeds will be sufficient to insure a day and evening of unlimited pleasure.

An important meeting of the school trustees took place last Thursday evening. Trustees Jas. Callan, M. C. Callan and Edward Poor and all the teachers were present, besides many others.
